Séance 2022/10/22 - JCVD - JUL

The screenshot displays the C-A-Guitar software interface. The main window shows musical notation for a guitar piece, with a guitar fretboard visualization at the bottom. The notation includes chords such as Bm, Bm/A, A, Gmaj7#9, G, F#7, and F#7(5). The interface is divided into several sections: a top bar with navigation and search, a left sidebar with various settings, a central workspace for the musical score, and a right sidebar with tabs for 'BOM', 'TRACK', 'INFORMATION', 'MUSICAL NOTATION', 'SOUNDS', and 'INTERPRETATION'. The 'INTERPRETATION' tab is currently selected, showing options for playing style, phrasing, and articulation. The bottom of the interface features a timeline and a status bar.
