Ma Séance 1 :

The screenshot displays the Repart.net interface for the song "Little Wing" by Jimi Hendrix. The main area shows the musical notation for the guitar part, including the title "LITTLE WING", the artist "Jimi Hendrix", and the key signature "Axis: Bold As Love". The notation includes a guitar-specific notation with chords (Em, G, Am, Bm, C/G, D) and a standard musical notation with a guitar-specific notation. The interface also features a guitar track visualization, a timeline, and various settings for the guitar part, such as "Playing style: Pick", "Palm mute: Off", "Accentuation: Off", "Auto let ring: Off", "Auto brush: On", and "Stringed: On". The bottom of the interface shows a track list with "Vocals", "E.Guitar", "E.Bass", "Drums", and "Audio Track".
